Ward Announcements

Thank You
Thank you to everyone who has volunteered their time and talents to make this Christmas season a special one for our ward and stake. Because of you, we've been able to enjoy a wonderful ward gathering, multiple christmas programs, and have been able to center the season around our Lord and Savior.

Church Next Week
Church on the 22nd will only be a single hour to allow members of the ward to have more time with their families. Sacrament meeting will be structured with a focus on singing more Christmas hymns, with additional short testimonies of the Savior.

Temple and Family History Work
Have you wanted to start writing a life history but feel overwhelmed? It's a big task, but answering one or two questions per day or week is a great way to get started. Take a photo of the QR code or click the link below to get started. It will download an easy-to-follow template that will guide you through questions you may not have thought to answer. Tackling this project in small bites might be the right way to move forward. If you'd rather have the document emailed to you or delivered on paper, just let me know.

Christmas Choirside
There will be a special musical fireside this Christmas season. Choirs from around the stake will be singing songs from their individual ward Christmas programs. Please join us on December 22 at 7:00pm in the Stake Center Chapel as we worship this Christmas Season.
